EXPERIENCE

Research Assistant

Dalhousie University

Halifax, NS

Sep. 2024 – May. 2025

- Collaborated with colleagues and field experts in a team setting to both design and implement solutions for novel computer science problems.
- Demonstrated strong time management and organizational skills by successfully meeting multiple tight deadlines.
- Regularly explained advanced technical solutions to non-specialists in a clear and approachable manner.

Teaching Assistant

Dalhousie University

Halifax, NS

Aug. 2023 – Dec. 2024

- Took ownership of administrative responsibilities, in which I leveraged my technical background to automate certain tasks.
- Provided one-on-one consultations through office hours, in which I worked with students to ensure their understanding of the material and clarify any questions.
- Developed and delivered presentations on lab material, making use of slides and live demos to improve students' understanding.

RELEVANT SKILLS

- **Languages:** English and Arabic, with an 11/12 score in CELPIP (Canadian English Language Proficiency).
- **Product Knowledge:** Experience with mobile devices, cloud services, networking, and PCs.
- **Software Skills:** Experience with multiple programming languages, network protocols, and web development.

EDUCATION

Dalhousie University

Bachelor of Computer Science - First Class Honours

Jan. 2021 – May. 2025

Halifax, NS

AWARDS

Dean's List: Awarded each semester to students with a high GPA; achieved in ten semesters.
